

Nominee: Konkordiya Trifonova, CBRE

Nomination title: Konkordiya Trifonova

Konkordiya is without any doubt, I emphasize without any doubt a world class team member and an asset for our client! As Contract Manager I'm totally blown away of her knowledge/know-how, professionalism, service level, speed in the deliverance, she is super bright - what can I say! And yet she is only some +20 years old, she is in many cases way beyond what you can expect from a person at that age!

Why nominee should win

- * A total asset for us and the client.
- * You're looking at a coming manager - perhaps a new CBRE CFO in a few years, or one of s the youngest female Contract Managers ever, if someone else doesn't steal her from us before that.
- *Role model, ask my fellow colleagues
- *IT'S A STEAL and CBRE got all this talent 4 free....!
