

DCS COMPANY CATEGORY: Excellence in Data Centre Services Award

Rack Centre Customer Testimonials

ACCESS BANK

“We chose Rack Centre as our preferred Colocation partner because they are Central Bank of Nigeria Tier III Data Centre, Certified Tier III Constructed Facility data centre with proven reliability and driven by efficiency. Rack centre is located at the highest elevation in Lagos mainland, away from flood zone.

Their staff are hardworking, dedicated and willing to go beyond to deliver excellent service without compromising standards- very reputable team with *integrity*”.

Clement Odigie Aigbomian, Head, Enterprise Platforms and Data Center Management, Access Bank Plc

UNITED BANK FOR AFRICA (UBA)

“We chose to Colocate at Rack Centre because they have a track record of 100% Uptime availability. Since we moved to Rack Centre we have enjoyed best-in-class *services*”.

**Oluwakemi Orimoloye, Head Global Data Centre Services,
United Bank for Africa (UBA)**

CENTRAL SECURITIES CLEARING SYSTEM (CSCS)

“Of all the colocation service providers profiled, Rack Centre emerged our preferred partner being the topmost Tier 3 Data Centre in Nigeria. They are the only DR centre with design and construction certifications. It is situated in a siren and well-layout location at Ikeja. We migrated to Rack Centre in December, 2017 and we have never had any service related issues. The support arrangement received so far has been *tremendous*”.

**Taiwo Otit, Divisional Head, IT/Operations, CSCS Plc.,
Central Securities Clearing System PLC**

UNIFIED PAYMENT SYSTEMS

“We chose Rack Centre as our DR site primarily because the company met our requirement for DR location as well as there track record of 100% Uptime availability. Since we moved to Rack Centre we have enjoyed best-in-class services and professionalism.”

Sina Joseph, Director, Information Technology & Operations, Unified Payment Services Limited

WAPIC INSURANCE

“Wapic prides itself on being a transformation leader in the Insurance industry and at the core of this is our technology strategy; we recognize that a curated set of partnerships is the key to achieving this ambitious objective.

In our journey of a thousand miles, the first step was stabilization of the Group infrastructure. Rack Centre stood out immediately as a world-class facility - The execution excellence and service offering are unrivalled. Ultimately, the brand stands on the people – the team personifies a rare cultural understanding of governance and excellence that made this choice a no-brainer for Wapic Management and Board of Directors.

Rack Centre has elevated the technology space in Nigeria and Wapic is proud to be a *partner*”.

Zina Giwa-Amu, Head Enterprise Division, Wapic Insurance Plc

LEADWAY

“This is to testify of the excellent service Leadway Assurance Company has been enjoying at Rack Centre since co-locating our DR infrastructure with Organization. Rack Centre has established hosted service that is second to none in Nigeria. From the access control to onboarding process, power management to cooling facilities, rack space maintenance etc. I would gladly recommend Rack Centre any *time*”.

**Michael Obembe, Team Lead, IT Operations & Service Management,
Leadway Assurance Company Limited**
